**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition.

I would like the FCC to allow smaller providers to continue their services.

My provider is Sonic.net in Sonoma County California. So far Sonic has been able to build and connect many members using their own fiber network. Please allow this to continue.

Please do not allow ATT (US Telecom) to take away access to critical unbundles network elements.
